Entertainment technology and creativity brought together

UNFORGETTABLE EVENTS START HERE

At 4Events, we transform corporate events into unforgettable experiences through immersive simulators, virtual reality, interactive games and event entertainment.

Since 2011, we've helped clients engage their guests at Christmas parties, conferences, exhibitions, brand activations and team events. Every experience is selected and delivered with impact in mind.

Our expert team will help you find the right activities for your audience, venue and objectives, creating an event that feels effortless for you and exciting for everyone taking part.

Technology-Led Entertainment | Expertly Delivered

Your vision, our expertise, one memorable event

EXPERTISE BEHIND EVERY EXPERIENCE

Great entertainment takes more than impressive equipment. It takes careful planning, technical knowledge and a team that understands how to keep an event moving.

We work collaboratively with our clients from the first conversation through to delivery. Our team handles the equipment, installation and on-site operation, helping every experience run smoothly from start to finish.

Whether you need one stand-out attraction or a complete entertainment package, we can shape the setup around your venue, audience and event format.

Speed, precision & competition

F1 RACE FOR THE FESTIVE PODIUM

Put your guests in the driving seat with an immersive F1-style racing experience.

Drivers can race around iconic Grand Prix circuits, chase the fastest lap and compete for a place at the top of the leaderboard. Force-feedback steering, responsive pedals and an authentic racing position capture the speed and excitement of professional motorsport.

Run quick-fire challenges throughout your event or build towards a festive grand final to crown your Christmas racing champion.

SPLATAK

How quickly can you react when the pressure is on?

Splatak gives our Batak Pro reaction challenge a festive makeover. Players race against the clock to hit illuminated targets as they appear, testing speed, focus and hand-eye coordination.

Rounds are quick, competitive and easy to follow, making Splatak a brilliant drop-in activity for Christmas parties, conferences and festive exhibitions. Add a leaderboard and watch guests return to defend their score or challenge the current champion.

CATCH THE CANDY CANE

Catch the Candy Cane is a festive reaction challenge that rewards quick thinking and even quicker hands.

Players stand ready as candy cane batons are released at random. The aim is to catch as many as possible before they hit the ground. The unpredictable timing keeps every player focused and gives watching guests plenty of tense, entertaining moments.

Compact, easy to understand and perfect for quick rotations, it works brilliantly as a Christmas party add-on, conference energiser or festive exhibition attraction.

SLEIGHLEXTRIC

Bring classic racing excitement to your Christmas event with Sleighlextric, our festive take on Scalextric racing.

Guests take control of miniature cars and compete for victory around an action-packed winter themed circuit. Choose focused head-to-head racing or create a larger multiplayer challenge with our eight-lane setup.

Quick races, simple controls and plenty of overtaking make this activity engaging for players and spectators alike. Run open play throughout the event or organise a tournament with qualifying rounds and a festive final.

CHASE THE CHILL

It is time to discover who has the fastest reactions in the room.

Two players go head-to-head, tapping illuminated targets as quickly as they appear. Every light counts, making Chase The Chill an energetic test of speed, focus and hand-eye coordination.

The simple format means guests can get involved immediately, while rapid rounds keep the competition moving. It is an ideal addition to Christmas parties, festive conferences, exhibitions and team celebrations.

Turn interactive entertainment into a complete brand experience

MAKE THE EXPERIENCE YOURS

Our bespoke branding options bring your company identity, campaign or event theme to life across our simulators and games.

Working with our in-house creative and print production specialists, we can transform individual activities or complete entertainment areas using branded wraps, graphics, equipment panels and digital content.

From subtle logo placement to an immersive brand takeover, every detail can be tailored to create a cohesive experience that captures attention and strengthens your message.

MORE WAYS TO ENTERTAIN

Complete your event with our range of arcade games, interactive attractions and party add-ons.

Mix nostalgic arcade favourites with modern challenges, or create a social entertainment area where guests can play at their own pace. From air hockey, Mario Kart and retro machines to photo experiences, illuminated furniture, dancefloors and silent disco headsets, we will help you choose the right combination.

Hire individual attractions or bring several together to create a complete entertainment zone shaped around your audience, venue and available space.
